### DISCONTENTED

Some are discontented when very tall, others when too short. We can make you happy by dressing you becomingly.

Our whole aim this season has been to give as much value for \$16 as in years past would cost \$35, even \$40, and we feel we are doing credit to ourselves and helping the public through this year of discontent.

We offer a special line of blacks, blues, and a large variety of mixtures in diagonals, serges, and chevots; the very best qualities of foreign and domestic fabrics suitable for fine dress wear.

SUIT, (to order) **\$16.**

TROUSERS, (to order) **\$4.**

We give a written guarantee binding ourselves to keep same in repair one year. No charge.

Samples, fashion review, measuring guide, cheerfully given or mailed to any address.

As all the work is made on our premises we are enabled, with our system, to complete suits in 24 hours.
